Rooted, Uprooted,

Dwelling Place

(Tom Wuest - we think)

**Lord You have been
Our dwelling place
Throughout all generations
Our pilgrim hearts
Find rest in you
Our sun and shield
Grace and glory**

**Before the mountains were formed
Before you gave birth to the world
Even from everlasting**

Your love abides *(repeat)*

UPROOTED

En-Route to
New Creation

“If placemaking is part of our journey out into the world, then it needs to be funded by a *deep journey in*—engagement with God, engagement with ourselves, and engagement with one another.”

-Craig Bartholomews (*Where Mortals Dwell*)

Acts 6-7: Stephen

(Pg. 762)

Reflection

**Think of a time you experienced
God as your dwelling place.**

**What surrounded that experience?
What made it possible or necessary?
What was it like?**
